

Sunday 10th November, 10.00am Remembrance Sunday

We will be marking Remembrance Sunday with an all age family service (note 10.00am start) before joining with others in the village at the war memorial.

Refreshments for the village will be in the chapel after the ceremony at the war memorial.

Community events

Remembrance Sunday — After the service we'll be opening up the chapel as usual for refreshments for everyone, if you are able to bring a cake to share that would be great.

Pre Christmas Café and shop — Similar in style to the fair trade coffee mornings, we'll be holding a pre Christmas café with hopefully a few stalls offering a mix of possible Christmas gifts.

Christmas Crafts — Similar to the Easter crafts morning we had earlier this year we will be hosting a Christmas crafts and activities event on the 14th of December. Open to all and much fun to be had.

Carols around the tree — A firm favourite in the village's Christmas activities, held opposite the chapel around the village tree and open to all. Wrap up warm and mince pies to finish.
